

Application for Phi Sigma Tau

Mo Beta Chapter

Please fill out this application and return it to the faculty moderator, Dr. Vigliotti, at Sedgwick 214F. You may contact Dr. Vigliotti at 501-4774 for more information.

Members of Phi Sigma Tau must meet the following requirements: at least two philosophy courses at Rockhurst University; and a demonstrated proficiency in philosophy (maintaining an overall average grade of 3.0 or above, and a 3.3 or above in philosophy classes). Membership also requires mandatory attendance at a minimum of two discussions/meetings per semester. In order to join, you must also pay one-time dues of \$30. This will cover the cost of your membership key and recognize you as a life-long member.

For those of you not able to meet the grade requirement, we encourage you to please still apply, as we also induct associate members. For further information, please contact Dr. Vigliotti.

What courses have you taken in philosophy?

Is there a particular area of philosophy that interests you?

Why are you studying philosophy? How do you perceive the effect of philosophy on your life?

Why are you interested in joining Phi Sigma Tau?

What subjects for philosophical discussions would most interest you? Why?

Phi Sigma Tau meets 2-5 times per semester. At least two meetings per semester are mandatory to maintain active membership. Are you willing to commit to these mandatory meetings?

Do you meet the B+ average requirement in the philosophy classes you have taken? (if not, please remember that we DO induct associate members!)
