* Student health insurance rates shown are from 2011-12 and subject to annual increase; additional coverage options available based on enrollment status and election of spouse and/or child coverage, see website for further details. University-sponsored student health insurance required for all international students. Full-time undergraduate and graduate students who provide proof of equivalent health insurance coverage through an on-line waiver system by the established deadline will not be required to purchase the University plan. Part-time undergraduate and graduate students are invited to purchase the health insurance plan as needed. For more information please visit our website at www.rockhurst.edu.

** Parking fee is mandatory for all students, faculty and staff. If you are not bringing a vehicle to campus or have alternative transportation not requiring your vehicle to be parked on campus, then the parking fee will be waived after appropriate notification to University Administration.

For a complete listing of fees, please visit www.rockhurst.edu. The University reserves the right to change tuition and fees at any time.

Financial Aid

Rockhurst University has an extensive financial aid program aimed at helping all students who are academically qualified to attend the University. Our programs include all federal and state aid programs as well as institutional aid. Eligible students may receive assistance, which includes scholarships, grants, loans, and work programs.

Eligibility of Financial Aid

All degree-seeking students are eligible to apply for financial aid. Eligibility for specific need-based assistance is based upon federal standards. Eligibility for merit-based assistance by the University is detailed in the University *Catalog*.

Applying for Financial Aid

Interested students should submit a Free Application for Federal Student Aid to the Central Processor prior to March 15 if the planned date of entry to Rockhurst is the fall semester. Students entering the spring or summer terms should complete a Free Application for Federal Student Aid as soon as possible. Aid is awarded on a first-come, first-served basis.

All merit scholarships are awarded on a rolling basis once the student is admitted to the University. No separate application is necessary. Any combination of gift aid from institutional and outside resources will not exceed the student's actual cost of attendance.

Payment Programs

Rockhurst has a number of payment programs available for students. Students are billed prior to the beginning of a term. Payment arrangements must be finalized prior to the start of the term. Students may pay in the following ways:

Regular Plan

The student submits payment in full prior to the start of classes.

Deferred Payment Plan

The student submits one-third of the semester charges plus a deferred payment fee of \$75 per semester prior to the start of classes. The remaining two-thirds are submitted during the term. This plan is NOT available for summer terms.

Tuition Management Systems

TMS is a 10-payment plan administered by a separate service agency. There is a \$75 enrollment fee. Payments are made July through April. This program is available for students enrolling in the fall (see www.afford.com).
