Rosters & Attendance in Rockweb

Purpose for Reporting Attendance

The U.S. Department of Education, Office of Student Financial Assistance, requires that educational institutions that receive federal financial aid funds should confirm the attendance of any student receiving these funds. If the student receiving these funds does not attend classes, the funds must be sent back to the Department of Education within 30 days of the start of the term.

To comply with this requirement, Rockhurst University faculty must take attendance in all classes and report attendance to one of the following:
