

ROCKHURST UNIVERSITY BOOSTER CLUB 2008-2009

The Hawk Booster Club is the official support group for Rockhurst Athletics. The purpose of this group is to assist the development, promotion, and success of all the athletic programs at Rockhurst University.

All contributions that help further the goals and support the priorities of the Athletic Department are appreciated. Equally important as your monetary gifts are gifts in kind. In kind gifts include goods and services that the Athletic Department would normally have to purchase. Matching gifts also offer opportunities to enhance a parent's support of the Athletic Department. Many employers will match their employee's charitable donations one-to-one; some will match two-to-one. Please contact the appropriate person in your company to learn if matching opportunities are available.

Please call the Athletic Office, (816) 501-4141, for information about the Booster Club or any other questions you might have.
