

## Checking Out Books From MOBIUS Libraries as a Visiting Patron Rockhurst University Students

Rockhurst University students may directly check out books from MOBIUS libraries as a Visiting Patron.

You must have a current, activated Rockhurst University library account. You must visit the library at the beginning of the semester to activate your account. You will receive a UNIQUE CAMPUS I.D. number.

You will need Unique Campus I.D. number and your Rockhurst University photo I.D. card in order to directly check out books from MOBIUS libraries as a Visiting Patron. Without these, you cannot directly check out from MOBIUS libraries.

- Books directly checked out from MOBIUS libraries have a three-week (21 day) loan period. This is the same loan period as books borrowed through patron initiated borrowing in the online catalog.
- Students who are Visiting Patrons have a limit of a maximum total of 10 books that can be checked out directly as a Visiting Patron or through patron initiated borrowing from the online catalog. For example, if 10 books total have been directly checked out or borrowed through the online catalog, no more check outs are allowed and no books on hold can be picked up until something is returned.
- Two renewals of 21 days are possible. Books with holds may not be renewed.
- Books may be recalled by the owning library if one of their patrons needs to use the book.
- **A lost book replacement charge of \$120.00 per book will be billed to patrons who do not return MOBIUS books.**
- **Students who have been billed for lost books will have their library privileges blocked until the bill is paid.**
- Visiting Patrons may return MOBIUS books to either the lending library or to their home library.
- Please do not remove the book band from the book!

## MOBIUS Consortium Cluster Libraries

### **WILO:**

Avila University  
Kansas City Art Institute  
Metropolitan Community Colleges  
Midwestern Baptist Theological  
Seminary  
Rockhurst University
