Ask A Librarian 24/7 Live Chat

Ask a Librarian Live Chat is a web-based service that allows Rockhurst University students, faculty and staff to consult via live chat with a librarian for research assistance 24 hours a day, 7 days a week, except on designated holidays throughout the year. Librarians from Rockhurst University and other Association of Jesuit College and Universities (AJCU) libraries participate in this service.

The librarian can answer specific questions (spelling of a name, dates, etc.) as well as offer assistance using library resources for assignments or projects, including using the library's electronic resources. If your question is more complex and requires significant time to answer the librarian may suggest a visit to the Rockhurst University Greenlease library where you can consult with a librarian face-to-face.

Detailed information about the service, including policies, can be found on the Ask a Librarian page on the library website at

<http://www.rockhurst.edu/services/library/reference/asklib.asp>.

Questions can be directed to Laurie Hathman, Head of Public Services, at

Off Campus Access to Library Databases

Off campus access to library databases is accessible through the VPN proxy server. VPN is operated by Computer Services and provides secure access to the library's subscription databases for Rockhurst University students and employees. Before searching within a database you need to login to the VPN account. Information about VPN can be viewed on the library's website at

<http://www.rockhurst.edu/services/library/electronic/remote.asp>

Problems using VPN should be reported to the Computer Services Help Desk at 816-501-4357 (HELP).
