

Request for Information Form - Students with Disabilities

Access Services helps to coordinate accommodations for students with disabilities to increase their access to programs and services at Rockhurst University. It is essential to initiate the application process now to ensure that your request can be adequately reviewed and approved services implemented in a timely manner.

To officially request accommodations from Access Services, you are required to submit an Access Services Intake Form as well as current documentation written by a professional verifying your disability, accompanying challenges, and the appropriateness of requested accommodations. For additional information regarding these forms, documentation requirements, and regularly offered services, we invite you to complete this form and return it to the address listed below or visit our website at: <http://www.rockhurst.edu/studentlife/access/index.asp>
