Goppert-Trinity Family Care

A Strong Tradition

Thousands of patients depend on Goppert-Trinity Family Care center each year to meet their family's healthcare needs. Our team of physicians, nurse practitioners, and staff understands how important your family's health is, and we make sure we care for each patient as if they were a member of the family.

In addition, Goppert-Trinity is leading the way into the future of Family Medicine with its post-graduate Residency Program. This three-year program trains physicians in the specialty of Family Medicine by allowing them to work alongside experienced family physicians.

Convenient Location

Located at 6650 Troost, on the Research Medical Center-Brookside Campus, the Goppert-Trinity Family Care center occupies suites 201 and 301 of the Rockhill Medical Plaza North office building. The newly renovated clinic includes on-site lab and radiology services, adding to the convenience of patients.
