## Emmaus Retreat

*Listen to what students have said about this retreat:*

“I came on the retreat seeking some spiritual guidance and a kick start to fully living my faith. I think those expectations were met in excess; there were parts of the answer found everywhere in the retreat.”

“God was everywhere in everything.”

“The retreat was less packed with events, making it better for me, so that I had time to reflect.”

“I was really excited [about the Emmaus Retreat], because I loved Kairos so much. The retreat definitely met my expectations! I had so much fun!”
