RU requires all students to live on campus their first two years unless they meet specialized exceptions. You'll receive info on how to apply for campus housing in the spring of your senior year, and you'll receive your roommate's name over the summer. If you have a roommate preference, create a roommate group in the housing software after you complete your housing application. If not, use RoomeeZ in the software to find one or let us pair you with someone. Learn more at rockhurst.edu/residence-life.

Our required summer orientation program, SOAR, gives you a chance to receive your fall course schedule early and learn more about Rockhurst. Look for details coming your way in the spring with SOAR dates starting in the summer.
